## PROFESSIONAL SUMMARY

Frontend Developer with strong expertise in HTML, CSS, JavaScript, and React.js. Proven experience in developing responsive, user-friendly web applications. Skilled in collaborating on projects, participating in code reviews, and leveraging modern development tools to deliver exceptional user experiences. Passionate about writing high-quality, maintainable code and staying updated with the latest industry trends.

## TECHNICAL SKILLS

- **Languages & Frameworks:** HTML, CSS, JavaScript, React.js, Material-UI, Bootstrap
- **Version Control:** Git
- **Tools:** Visual Studio Code, Chrome Developer Tools
- **Other Skills:** Responsive Design, API Integration

## PROFESSIONAL EXPERIENCE

### Frontend Developer (Remote)

*August 2024 – Present*

Reisty

- Collaborated with developers to build a responsive web application using Material-UI and React.js, converting designs into fully functional user interfaces.
- Coordinated tasks and implemented APIs, ensuring seamless integration and functionality.
- Conducted code reviews, delivering actionable feedback to improve code quality and maintainability.

### Frontend Developer Intern

*February 2024 – May 2024*

New Horizon | Lekki, Lagos

- Built expertise in frontend development, focusing on responsive web design using HTML, CSS, JavaScript, and React.js.
- Gained hands-on experience with Git for version control, enabling efficient team collaboration.

- Implemented responsive design principles to ensure consistent user experiences across multiple devices.
- Committed to continuous learning by staying up-to-date with evolving frontend technologies.

## KEY PROJECTS

- **Book Store**: Designed and developed a web application using React.js, HTML, and CSS, integrating the Open Library Search API for dynamic book searches.
- **Travel Blog**: Built a dynamic travel blog application with React.js, utilizing React Hooks and React Router for seamless navigation.
- **E-Commerce Site**: Created a fully responsive e-commerce website with a user-friendly interface using HTML, CSS, and JavaScript.
- **Property Website**: Developed a responsive landing page for a real estate business, ensuring optimal performance on all devices.
